About the Babasaheb Bhimrao Ambedkar Central University

The Babasaheb Bhimrao Ambedkar University (A Central University) Lucknow, (NAAC Accredited õAö Grade) is one of the premier Central Universities in the country established on 10th January 1996 to promote advanced knowledge offering master courses and research, which is now extended to UG courses also. Presently the University is offering 22 courses in various disciplines and number of courses is in row. Its 250 acres campus located of the Raebareli road about 10 k.m. south of Charbagh Railway Station of Lucknow. The University is a residential University and is committed to develop as a centre for excellence in the field of higher education. The University offers appropriate courses relevant for the development of socially and educationally depressed section of the people, including agricultural technology and rural crafts; to promote the study of the principles for which Babasaheb Bhimrao Ambedkar worked during his lifetime, to pay special attention to the promotion of educational and economic interests and welfare of the people in general and members belonging to the SC/ST in particular.

About Lucknow

Lucknow, the city situated on the banks of the river Gomti popularly known as the city of the Nawabs and Nawabi culture worldwide. It is also known as the Golden City of the East, Shiraz-i-Hind and the Constantinople of India. Lucknow is a beautiful city and famous for its historical monuments which were built during the ancient times and still retains its old world charm. Lucknow is also famous for its traditional cuisine, fine arts and the most courteous people you will ever find in India. It is the capital city of Uttar Pradesh and stands out as a city that takes pride in the endearing.

About Department

Department of Human Rights conducts post-graduate teaching and research programmes in the areas relating to Human Rights and Law and aims at recommending appropriate measures for enforcing human rights and securing ends of justice through legal and democratic processes. Presently, the department is running Ph.D.and LL.M. in Human Rights courses to undertake study of the constitutional, legal, socio-economic and political dynamics of human rights and governance issues in India and the world. The Department aims to recommend remedies to alleviate human rights violations through legal and democratic processes, to create lawyers professionally competent, technically sound and socially relevant. The

academic programmes of department are designed to analyse the theoretical, empirical and clinical issues concerning law, governance and human rights.

About One Week (Five days) Workshop on Research Methodology

The institutions of higher learning in India are facing crucial challenge in creating, nurturing and maintaining the level of quality research. The need of the hour is to develop a sound methodological base of research among the budding educationists and researchers to cope up with future challenges. A good research methodology is a key to sound research output. Research is a scientific process and this definition holds true irrespective of disciplines. It includes a group of diverse academic disciplines including History, Sociology, Political Science, Anthropology, Law, Human Rights, Geography, Economics, Psychology, Education etc. Although these fields focus on different aspects of human society and there are different perspectives in the area of study, they follow the same general methods for conducting research. Keeping in perspective the need for to operationalize this vision, there is a need to train, reorient and reactivate the faculty members and research scholars in all the disciplines on research methodology. Keeping in perspective of the need for quality of research this one week (five days) workshop on research methodology is specially designed for faculty members and Research Scholars of all disciplines. The programme enables the participants to develop competence in understanding recent advances in research Methodology, to learn to improve pedagogies and to better presentation skill to become an effective faculty, researchers and academicians of their respective disciplines. The workshop will not only provide theoretical inputs of the research methodology but also expose the participants to the practical aspects of research. The workshop will address the fundamental knowledge about research and methods of conducting research that includes both quantitative and qualitative research designs to enable the scholars and faulty members to develop adequate research skills.

Objectives of Workshop

- Enables the participants to develop competence in understanding recent advances in research Methodology

- To enable the participants, define research problem, developing an approach to research problem and selection of suitable research design.

- To impart capabilities for formulation and testing of hypothesis based on the nature of research.

- To comprehend appropriateness of statistical software packages for analysing research data.

- To understand the latest trends and patterns in the use of various research methods and select appropriate research method for conducting empirical research

- To prepare them to use /develop/select appropriate tools for data collection select statistical tools for data analysis

- To enable the participants to use/select appropriate style of preparing bibliography, references, report writing research article/paper and writing research proposals
