

1. Syllabus Details (Semester wise):-

M.Sc. (Human Development & Family Studies)

Course code	Course Title
<u>Semester -I</u>	
MHD-101	Early Childhood Care and Education Parenting in Early Childhood
MHD-102	Advanced Study in Human Development-I
MHD-103	Research Methodology
MHD-104	History & Theories of Human Development
<u>2nd Semester</u>	
MHD-201	Child and Human Rights Communication Technologies
MHD-202	Advanced Study In Human Development-II
MHD-203	Statistics & Computer Applications
MHD-204	Methods of Studying Human Development
<u>3rd Semester</u>	
MHD-301	Study Of Family In Society Planning for Project Management
MHD-302	Scientific Writing
MHD-303	Internship
MHD-304	Dissertation
<u>4th Semester</u>	
MHD-401	Care Of The Elderly Care of Children with Disabilities and illnesses
MHD-402	Principles of Guidance And Counselling
MHD-403	Persons With Disabilities
MHD-404	Dissertation

M.Sc. (Food Science & Technology)

<u>1st Semester</u>	
FST-101	Food Processing and Technology Food packaging
FST102	Food chemistry and Nutrition
FST 103	Food Microbiology
FST 104	Bakery and Confectionery Technology
<u>2nd Semester</u>	
FST-201	Food Toxicology Food Product Development and marketing
FST-202	Applied Nutrition
FST-203	Techniques in Food Analysis
FST-204	Statistical Method in Food Science

<u>3rd Semester</u>	
FST-301	Scientific Writing Sensory Evaluation
FST-302	Neutraceutical and Health Foods
FST-303	Internship/ Training Programme
FST-304	Dissertation
<u>4th Semester</u>	
FST-401	Food Safety and Quality Control Assessment of Nutritional Status
FST-402	Nutrition for Health and Fitness
FST-403	Geriatric Nutrition
FST-404	Dissertation

Ph.D. Programme	
DPH-101	Research Methodology
DPH-102	Current Trends in Nutritional Research & Community Studies Contemporary Trends of Research in Human Development
DPH-103	Quantitative and Qualitative Techniques in Statistical Analysis
DPH-104	IPR and Ethical Issues in Home Science
