

Message

Leading the footprints of Dr. B. R. Ambedkar, his words and efforts have brought a drastic change in society and in their thinking. Babasaheb Bhimrao Ambedkar University (A Central University) is one among the five Universities of the country that has been sponsored the RCA centre by the University Grant Commission and it's a matter of immense pride and great opportunity for the BBAU students as well as the students around the country to enhance their skills and serve the nation as Bureaucrats, policy makers and leaders of tomorrow. RCA is coming up with new courses and various facilities for the students which will support them to achieve their goals.

The courses which are being offered are UPSC (Preliminary & Mains-GS), RRB, Banking and SSC. These courses are mainly for SC, ST, Minority category & for women (any category). For the students, it is an assurance that these courses are really beneficial for them. With the combination of your hard work and learning, you can do miracles. The students with a keen interest in the offered courses, put your foot forward and grasp the opportunity to get better learning and finally get success in your lives.

The main goal of RCA is to provide education to those sectors which are efficient but due to certain barriers are unable to bloom like a flower. Every student is special has its own capabilities don't let it go waste, take the full-fledged advantage of the resources and perform the best of your own selves and make us feel proud.
